

## Adam and Eve – the Fall of Man

Consequences of Sin **Genesis 3:7-24:**

Adam and Eve both experienced consequences right away for their sin.

**Loss of innocence** – They were now guilty of sin.

**Shame** – They tried to cover their nakedness.

**Fear** – Knew they had done wrong and tried to hide from God.

**Blame** – Began to blame each other and the serpent instead of saying sorry.

**Death** – Spiritually were separated from God, then physically separated from the Tree of Life in the Garden of Eden.

**What did Adam and Eve do that was wrong?**

**What were the consequences of their sin? You can write or draw a picture for each**
