

Adam and Eve – the Fall of Man

Consequences of Sin **Genesis 3:7-24:**
Adam and Eve both experienced consequences right away for their sin.

Loss of innocence – They both realized they were naked, whereas before they were ok with that and had no knowledge.

Shame – They tried to cover their nakedness

Fear – Knew they had done wrong and tried to hide from God

Blame – Began to blame each other and the serpent for their wrongdoing.

Death – Spiritually were separated from God, then physically separated from the Tree of Life and the Garden of Eden.

What did Adam and Eve do that was wrong?
