

# Proving the Bible – Historical Evidence

Fill in the Blanks with the Correct Numbers

Title of Book	Date Written	Earliest Manuscript	Number of Manuscripts
<i>Homer's Iliad</i>			
<i>History of Herodotus</i>		A.D. 900	
<i>Josephus' Jewish Wars</i>	A.D. 70		
<i>Histories of Tacitus</i>			
<i>New Testament</i>		A.D. 125	

Try to remember these facts when telling others about the reliability of the Bible.

1. We have thousands of Biblical Manuscripts
2. The original writings were preserved and copied carefully
3. The New Testament was written and shared in the same generation.

Fill the beaker with as many different words as you can remember about what you learned today. Example: Acid Test

You can check if needed. Try to write each word in a different style for fun!
