

God Cares About Animals!

Genesis 1:26

Then God said, "Let us make mankind in our image, in our likeness, so that they may rule over the fish in the sea and the birds in the sky, over the livestock and all the wild animals, and over all the creatures that move along the ground."

Who rules over the animals, birds and fish?

Proverbs 12:10

The righteous care for the needs of their animals, but the kindest acts of the wicked are cruel.

Do good or bad people take care of animals?

If we hurt an animal will people think we are good or bad?

Psalms 50:11

I know every bird in the mountains, and the insects in the fields are mine.

God is speaking in this verse. Who owns the insects, birds and animals?

Who knows them best? Who is concerned if they are not being taken care of?

Should we take care of God's animals?
