Order of events:

- After Jesus raises Lazarus from the dead Jesus returns to Jerusalem on a donkey and enters the city.
- Jesus weeps and warns them of the destruction of Jerusalem because they did not recognize and refused to believe that Jesus was the Son of God.

Memory Verses:

Mark 11:9: *And those who went before and those who followed were shouting, "Hosanna! Blessed is he who comes in the name of the Lord!"*

Luke 21:20: *But when you see Jerusalem surrounded by armies, then you know that its desolation has come near.*

Week Eight Jesus warns of Jerusalem's destruction.

Luke 19:41-44, Luke 21:5-36, Matthew 24:1-42, Mark 13:1-37

Jesus specifically tells us the destruction being mentioned was an army that would surround the city of Jerusalem in Luke. It came true exactly when Titus, came and destroyed Jerusalem in 70 AD. Jesus says in Matthew 24:34 that it would happen in Jesus' generation and it did. See https://video.wvbs.org/program/the-temple-then-and-now/ for some short videos you can watch about the temple of Jerusalem and what it looked like.

Pray: That we will not be scared at troubles and trials in this life but know that God is in control. He has a way to help us. Pray for those who are going through different struggles and ask God to be with them and help them.

Help: Jesus warned the Jews that trouble was coming and what they should do to prepare. Make a card for some people in your life and write a message about how reading the Word of God prepares us for tough times. Tell them you are thinking and praying for them. Remember that Jesus warns us that troubles will come but will also help us through them.
