It takes patience to catch a fish. Help this boy catch some by drawing a line from his fishing pole to the fish that tell how to have patience. Don't catch the other ones!

What can you do to build patience? Circle all that apply and add a few more of your own.

When I need patience I will:

Pray

Find something else to do

Play a game

Take a deep breath

Think of other people

Be thankful

Remain calm

Sing a silly song

Read the Bible
