## **Exodus Activities**

Maze - Follow the maze from beginning to end and write each letter down as you go to show a message about God, the Israelites and us! Only one path has the right letters!

Red Sea Rush – Pharaoh decided to chase after the Israelites. God instructed Moses to lift his rod and divede the waters of the sea so the people could walk on dry ground.

Start on the WHITE square and then go to the BLACK square touching it. Then go to WHITE, BLACK, WHITE, BLACK until you read the end. (Do not go corner to corner.)
