

I'm Sorry

To find the hidden words in the puzzle above color in only the spaces that have two dots in them. Always remember to say these magic words when you need to.

To be sorry means . . .

- to admit you are wrong
- to apologize
- to take the blame for something you did or said
- to ask for forgiveness
- to regret that you have done wrong
- to want to start over
- to humble yourself
- to let go of pride and set the record straight
- to not be proud of doing wrong
- to not blame others
