

While Jesus' friends
were fishing, Someone
called to them. It was
Jesus!

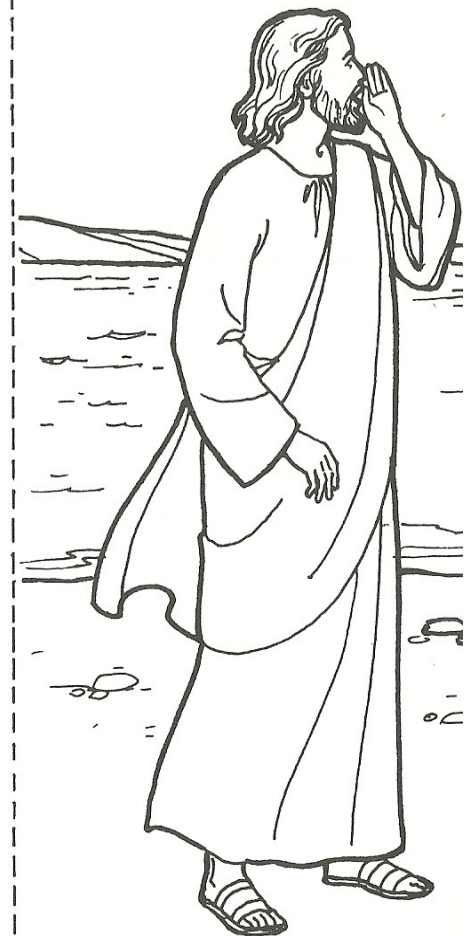

This is the back. Print both sheets back to back or
tape together back to back once printed.

Allow student to scribble color Jesus and the men in
the boat.

Fold the two lines so that this box becomes the back
and so that when the students open the folds they
see the picture of Jesus and his friends below.

Optional: Hand out stickers of fish to put on
fishermen's net. Hand out small pieces of blue tissue
paper and use glue sticks to glue the paper onto the
water.

Let students scribble color Jesus and His friends on
the front page.
