Jonah and the Big Fish

By providing Jonah with the plant to shade his head and then having the worm come and eat the plant, God was teaching Jonah how to have mercy on the people of Nineveh.

In this picture can you find ten ways that people are helping others?

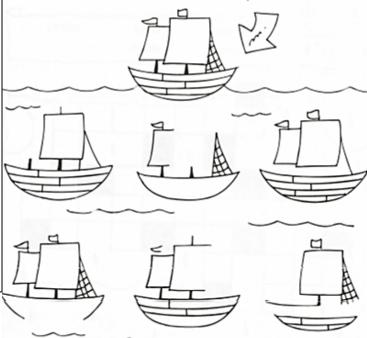

Jonah the Reluctant Prophet -

Jonah found it hard to show mercy to the Ninevites. Write 5 things God wants you to do that might be hard.

God told the prophet Jonah to go to the city of Nineveh. God wanted Jonah to tell the people to stop being bad. Jonah didn't want to go. Instead, he got on a ship to go somewhere else.

Finish all the ships so they look like the top one.

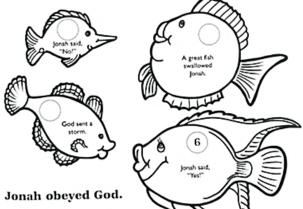

What happened first? What happened last? Number all the fish in story order.

What two things was God concerned about in Jonah 4:11?

What does this say about God?

Jonah the Run-Away Prophet -Why did Jonah run away?

Sometimes we don't want people to receive forgiveness. What does the life of Jonah teach us about God's view towards forgiving?
