

# Jonah and the Big Fish

By providing Jonah with the plant to shade his head and then having the worm come and eat the plant,

God was teaching Jonah how to have mercy on the people of Nineveh.

God told the prophet Jonah to go to the city of Nineveh. God wanted Jonah to tell the people to stop being bad. Jonah didn't want to go. Instead, he got on a ship to go somewhere else.

Finish all the ships so they look like the top one.

In this picture can you find ten ways that people are helping others?

Connect the dots to discover what swallowed Jonah when he jumped from the ship into the turbulent waters.
