

King Demands

God Demands

Show students Kings and God's Demands Sheet. Then Read **Luke 10:27**

He answered, "Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind"; and, 'Love your neighbor as yourself.'"

Cut out the images before class. As a group move and discuss where each image should go – under King's or God's Demands.
Talk about how they are different and why that is a good thing.

King – Vines, Daughters, Sons, Servants, Sheep

God – Time, Strength, Heart, Mind, Soul/Worship

the King just wants your best stuff – things he can use for himself.

God wants everything about you because He loves you and wants a meaningful relationship with you, He doesn't want your "stuff", He wants you, because you are special to Him.
