

# Moses Math and Color Page Activity

Do the math to find out how old Moses lived to be!

Add 50 and 49 together:  $50$   
 $+49$

Take that number and add 139  $+139$

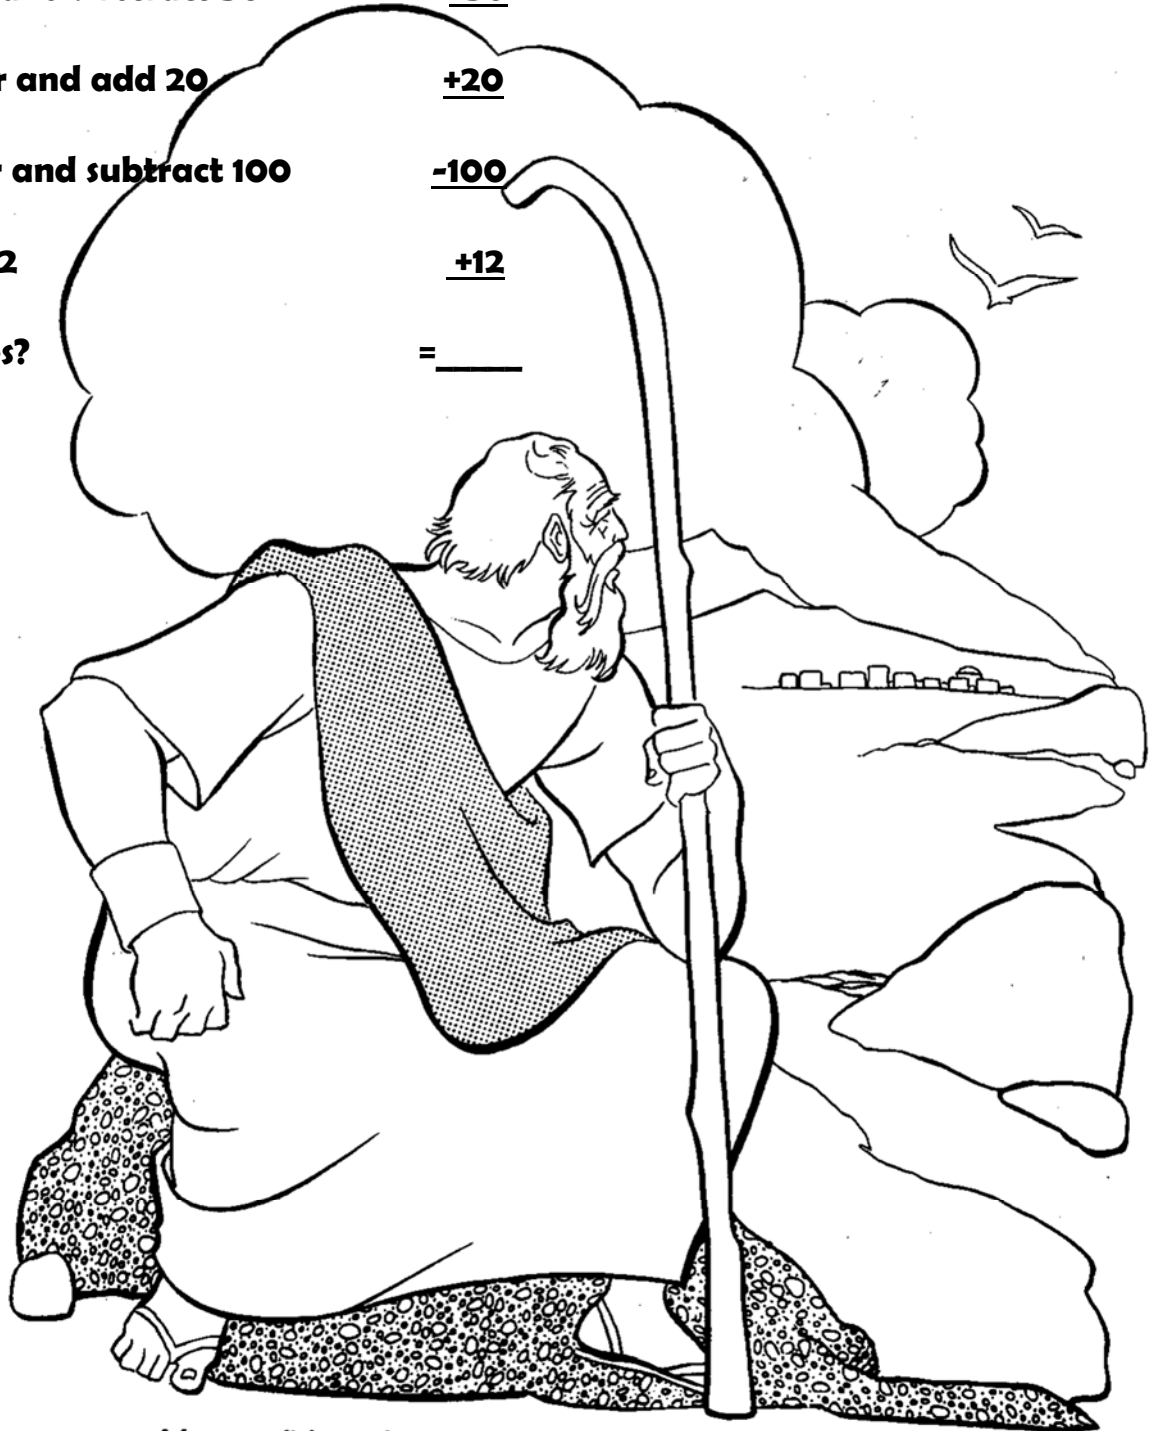

Take this number and subtract 50  $-50$

Take your number and add 20  $+20$

Take that number and subtract 100  $-100$

Now finally, add 12  $+12$

How old was Moses?  $= \underline{\quad}$

Moses did not live long enough to go into the promised land, but God showed it to him from Mount Nebo.
