

# Be Kind

What good deed is this young boy doing? This picture should remind us to do kind things too! What kind things can you do this week?

- Directions:
1. Color the boy and the shovel
  2. Apply a thin layer of glue over the snow in dabs. Then add cotton balls to the snow on the ground and in the shovel.
  3. Take the cotton balls and rip them into tiny pieces, then dab the "x's" with glue and take the cotton pieces and add them in the sky as snowflakes!
