

Questions to give to a long time member of the congregation to answer during a special question period at class.

Here are some questions the class would like to ask you. Please look them over, think and pray about it, then jot down your answers, we will ask you to come to class to share your answers to the class.

What is your relationship with God like?

How do you get to know God better every day?

What were some answers to prayer that have been amazing in your life?

What do you do when you feel far away from God?

Thank you in advance for spending the time to help our children understand the importance of having a relationship with God and the blessings that come from it!

Sincerely,

Sunday School Teacher.
