

Remember to Be Thankful

Write Something that you are thankful for in each petal of the flower. Then outline the flower in bright colors.

To be thankful means....

- To appreciate what others do for you
- To be happy with what you have
- To be grateful
- To show good manners by saying, "Thank you"
- To honor the one who gave to you
- To feel good about a gift
- To remember to tell others that what they did for you or said about you was pleasing
- Not to take something or someone for granted
- To show appreciation

What if you forgot to thank people for what they gave you? What if they took everything back? Would this happen to you?

Remember to always to say "thank you." Think about this: What if God took away everything that you have not thanked Him for? What would you be missing today? Circle anything you have forgotten to thank God for. Thank Him today for these things! Say a prayer and thank God for all the things you enjoy.
