

SHARE WITH OTHERS

To share with others means . . .

- to let others use or have what is yours
- to give up something when there is not enough for everyone
- to be generous with what you have
- to give to others who are needy
- to show charity
- to give to a worthy cause
- to participate in the needs of others
- to not be selfish or stingy
- to not keep everything to yourself

God wants us to share our blessings with others. In each set of boxes below, there are three things that you should share, but one thing doesn't belong. Mark an X on the things that don't belong. Then color the pictures of the things that you should share.

Color the books that tell ways to share with others.

"Share with God's people who are in need . . ." (Romans 12:13)
