

Ways to Be Faithful

Ruth was faithful to her mother-in-law Naomi. What are ways you can be faithful to your family?

Take a paper lunch bag and cut the top corners off as shown below, then decorate your house to look like your home. Write or draw pictures that show in each box below how you can show people in your family that you are faithful to them and to God. Cut the boxes out and place them in your "home" to remind you to be faithful.
